

Housefires - Keep My Eyes Up

tom:

Intro: B E B B
B E B

[Primeira Parte]

I look to You
Not the left or the right

You are my vision

You are the prize

I'm grounded in love

My faith's taking flight

And hope is still burning

Through the dead of the night

[Refrão]

I keep my eyes up, I keep my eyes up

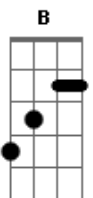

I keep my eyes up, I keep my eyes up

To the one that I love

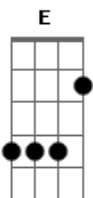

The one that I trust, Je---sus

I keep my eyes up, I keep my eyes up

[Segunda Parte]

Your eyes full of fire
Your face like the sun
Your robe fills the temple
From all the battles You've won
There's nothing to fear
'Cause You've overcome
The work that You finished
Cannot be undone

[Ponte]

And when the whole earth is shaking
Heaven keeps singing
Holy, holy
Holy is the Lord
