

# Housefires - Mountain To Valley

Tom: A

Plagued by your promises  
 Words you have spoken  
 Desires you've placed in me  
 Faithfully you will complete

A B E  
 Such a journey walking with you now

A B E A  
 You take me in, you lead me out  
 You take me in, you lead me out  
 You take me in, you lead me out  
 Such a journey walking with you now

[Refrão]

From the mountain to the valley  
 From the desert to the raging sea  
 In the silence or the city streets  
 Oh your presence always covers me

A B E A  
 You take me in, you lead me out  
 You take me in, you lead me out  
 You take me in, you lead me out  
 Such a journey walking with you now

[Segunda Parte]

Hope you will lead the way  
 Peace you will by my strength  
 To sing in the midst of storms  
 And believe in you goodness, Lord

E  
 When I don't know what steps to take  
 When I don't know what moves to make  
 This one thing I can't escape  
 Your love  
 When I don't have the words to say  
 When I can't seem to find my way  
 This one thing I can't escape  
 Your love

[Refrão]

From the mountain to the valley  
 From the desert to the raging sea  
 In the silence or the city streets  
 Oh your presence always covers me

From the mountain to the valley  
 From the desert to the raging sea  
 In the silence or the city streets  
 Oh your presence always covers me

[Ponte]

You take me in, you lead me out  
 You take me in, you lead me out  
 You take me in, you lead me out

From the mountain to the valley  
 From the desert to the raging sea  
 In the silence or the city streets  
 Oh your presence always covers me  
 Oh your presence always covers me  
 Oh your presence always covers me
