

Housefires - Mountain To Valley

Tom: A

Plagued by your promises
 Words you have spoken
 Desires you've placed in me
 Faithfully you will complete

[Refrão]

From the mountain to the valley
 From the desert to the raging sea
 In the silence or the city streets
 Oh your presence always covers me

[Segunda Parte]

Hope you will lead the way
 Peace you will by my strength
 To sing in the midst of storms
 And believe in you goodness, Lord

[Refrão]

From the mountain to the valley
 From the desert to the raging sea
 In the silence or the city streets
 Oh your presence always covers me

From the mountain to the valley
 From the desert to the raging sea
 In the silence or the city streets
 Oh your presence always covers me

[Ponte]

You take me in, you lead me out
 You take me in, you lead me out
 You take me in, you lead me out

Such a journey walking with you now
 You take me in, you lead me out
 You take me in, you lead me out
 You take me in, you lead me out
 Such a journey walking with you now

You take me in, you lead me out
 You take me in, you lead me out
 You take me in, you lead me out
 Such a journey walking with you now

[Ponte]

When I don't know what steps to take
 When I don't know what moves to make
 This one thing I can't escape
 Your love
 When I don't have the words to say
 When I can't seem to find my way
 This one thing I can't escape
 Your love

[Refrão]

From the mountain to the valley
 From the desert to the raging sea
 In the silence or the city streets
 Oh your presence always covers me

From the mountain to the valley
 From the desert to the raging sea
 In the silence or the city streets
 Oh your presence always covers me
 Oh your presence always covers me
 Oh your presence always covers me
 Oh your presence always covers me
