

# Housefires - On & On

Tom: D

**Bm**                    **A**                    **G**  
Where can I run from Your presence  
**Bm**                    **A**                    **G**  
Where can I flee from You  
Even if I **Bm** hide on the **A** highest **G** mountain  
You are there **Bm**                    **A**                    **G**

**Bm**                    **A**                    **G**  
Where can I run from Your presence  
**Bm**                    **A**                    **G**  
Where can I flee from You  
Even if I **Bm** lie on the **A** lowest **G** valley  
You will find me there **Bm**                    **A**                    **G**

**D**                    **A**  
Deeper than any ocean  
Your love goes **Em** on and on  
**Bm**                    **G**  
And on and on  
**D**                    **A**  
Higher than any mountains  
Your love goes **Em** on and on  
**Bm**                    **G**  
And on and on  
Your love goes **Em** on and on  
**Bm**                    **G**  
And on and on and on

**Bm**                    **A**                    **G**  
And if I clothe myself in shadow  
**Bm**                    **A**                    **G**  
Where I fade away from You  
Even if I **Bm** fall to the **A** deepest **G** darkness  
Love **Bm** surrounds me **A** still **G**  
Even if I **Bm** fall to the **A** deepest **G** darkness  
Love **Bm** surrounds me **A** still **G**

**Bm**                    **A**                    **G**                    **A**  
There is no ending to your  
**D**  
Love that holds on and won't let go  
**Gbm**  
Love that won't leave me on my own  
**Bm**                    **A**                    **G**                    **A**  
I'm falling deeper into your  
**D**  
Love that holds on and won't let go  
**Gbm**                    **A**  
Love that won't leave me on my own

**Em**                    **Bm**                    **A**  
Love don't let me go, don't let it go  
There's no where I could **A** run  
There's no where I could **Gbm** hide  
There's no where I could **Em** go  
That You won't **Bm** find me **G** Lord
