Tom: D

**Bm**                    **A**                    **G**  
Where can I run from Your presence  
**Bm**                    **A**                    **G**  
Where can I flee from You  
Even if I **Bm**                    **A**                    **G**  
hide on the highest mountain  
**Bm**                    **A**                    **G**  
You are there

**Bm**                    **A**                    **G**  
Where can I run from Your presence  
**Bm**                    **A**                    **G**  
Where can I flee from You  
Even if I **Bm**                    **A**                    **G**  
lie on the lowest valley  
**Bm**                    **A**                    **G**  
You will find me there

**D**                    **A**  
Deeper than any ocean  
Your love goes **Em**  
on and on  
**Bm**                    **G**  
And on and on  
**D**                    **A**  
Higher than any mountains  
Your love goes **Em**  
on and on  
**Bm**                    **G**  
And on and on  
Your love goes **Em**  
on and on  
**Bm**                    **G**  
And on and on and on

**Bm**                    **A**                    **G**  
And if I clothe myself in shadow  
**Bm**                    **A**                    **G**  
Where I fade away from You  
Even if I **Bm**                    **A**                    **G**  
fall to the deepest darkness  
**Bm**                    **A**                    **G**  
Love surrounds me still  
Even if I **Bm**                    **A**                    **G**  
fall to the deepest darkness  
**Bm**                    **A**                    **G**  
Love surrounds me still

**Bm**                    **A**                    **G**                    **A**  
There is no ending to your  
**D**  
Love that holds on and won't let go  
**Gbm**  
Love that won't leave me on my own  
**Bm**                    **A**                    **G**                    **A**  
I'm falling deeper into your  
**D**  
Love that holds on and won't let go  
**Gbm**                    **A**  
Love that won't leave me on my own

**Em**                    **Bm**                    **A**  
Love don't let me go, don't let it go  
There's no where I could **A**  
run **Gbm**  
There's no where I could hide **Em**  
There's no where I could go **Em**  
That You won't **Bm**                    **G**  
find me Lord
