

Housefires - Peace Of God

tom:
Intro: B

[Primeira Parte]

I?ve seen the lowest valley
Endured darkest the night
It seemed I was forsaken
But You were by my side

[Segunda Parte]

I?ve stood before the mountains
Too great for me to climb
Yet in face of giants
I?ve learned to lift my eyes
I?ve learned to lift my eyes

[Refrão 1]

Come what may
Come what will
Sovereign hands
They hold me still
I put my faith
I put my trust
In this alone
The peace of God
(B)

[Terceira Parte]

The battle may be raging
The way may be unknown
But even in the waiting
I will tell my soul
Yes, I will tell my soul
(B)

[Ponte]

All of my worries
All of my doubts

Acordes

All of my sorrows
I?m laying down
Over the chaos
Over the drought
Over the trial
I?m calling out
I know You?ll save me
I know You?ll heal
You made a way and
You always will
All of my worries
All of my doubts
All of my sorrows
I?m laying down
[Refrão 2]
