Burn with an everlasting fire that won't run out
 And can't be put out, can't be put out
 'cause I burn for you, I burn for you
 Oh wih passion in my heart
 And a hope running through my veins
 I will burn for you, I'll burn for you alone
 With a hope and future before me
 Your forgiveness all around me
 And your spirit living in me
 I will burn for you
 And they'll see me and they'll see you
 When I burn bright for you
 Cause it's your love and my heart is a wick
 I wanna burn
