

# Houses On The Hill - Fall Into You

tom:  
 Hey, I wish you could see yourself  
 Just sitting there on my chair  
 I'm staring at you, you don't even notice  
 Should've told you straight away  
 You don't have to be afraid anymore  
 I know you would've noticed  
 You'll know  
 You'll know  
 That I won't let you go  
 Put your arms around me and I'll let you know  
 How it feels when time goes slow  
 And I won't let it rush when I see you dance  
 And the moment comes when I fall and time goes slow  
 I fall into you

I fall into you  
 Hey, I wish I could show you more  
 'Cause baby you deserve some more  
 But still you're here and that's what I adore  
 Should've told you straight away, everything I had to say  
 But I'm afraid and I know you would've noticed  
 You'll know  
 You'll know  
 That I won't let you go  
 Put your arms around me and I'll let you know  
 How it feels when time goes slow  
 And I won't let it rush when I see you dance  
 And the moment comes when I fall and time goes slow  
 I fall into you  
 I fall into you  
 I fall into you
