

# Hozier - Arsonist Lullaby

Tom: A

(com acordes na forma de G )

Capostrate na 2ª casa

Intro: Em B7 C7M Am B7 Em  
Em B7 C7M Am B7 Em

Em B7 C7M  
When I was a child, I heard voices  
Em G B7  
Some would sing and some would scream  
Em B7 C7M  
You soon find you have few choices  
Am B7 Em  
I learned the voices died with me

Em B7 C7M  
When I was a child I'd sit for hours  
Em G B7  
Staring into open flame  
Em B7 C7M  
Something in it had a power  
Am B7 Em  
Could barely tear my eyes away

Em B7 C7M  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C7M  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash

( Em B7 C7M Am B7 Em )  
( Em B7 C7M Am B7 Em )

Em B7 C7M  
When I was 16 my senses fooled me  
Em G B7  
Thought gasoline was on my clothes  
Em B7 C7M  
I knew that something would always rule me  
Am B7 Em  
I knew the scent was mine alone

Em B7 C7M  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C7M  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash

Em B7 C7M  
When I was a man I thought it ended  
Em G B7  
When I knew loves perfect ache  
Em B7 C7M  
But my peace has always depended  
Am B7 Em  
On all the ashes in my way

Em B7 C7M  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C7M  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash
