tom:

Intro: Em Em C Am B

[Primeira Parte]

Em Em When all the worst we fear lets fall its weight Em  
 When the gyre widens on and when the wave breaks C  
 When St. Peter loses cool and bars the gates Am  
 B When Atlas acts the maggot, makes his arms shake Em  
 When the birds are heard again in their singin' Em  
 Once atrocity is hoarse from voicin' shame C  
 And when the earth is trembling on some new beginnin' Am  
 B With the same sweet shock of when Adam first came C
