

Hozier - Sunlight

tom:
Intro: Em
[Primeira Parte]
I would ^A shun the ^D light, share in evening's ^G cool and quiet
^C Who would trade that hum of night
^D For ^G sunlight, ^{Em} sunlight, sunlight
But whose heart would not take flight
^D Betray the moon as acolyte
^C On first and fierce affirming sight
^D Of ^G sunlight, ^{Em} sunlight, sunlight

[Refrão]
I had been lost to you sunlight
And flew like a moth to you, ^A sunlight, oh, ^{Em} sunlight
Oh, your love is ^{B7} sunlight
Oh, your love is ^C sunlight
^G Oh, but it is ^{Em} sunlight
[Segunda Parte]

^A All the tales the same
^D Told before and told again
^C A soul that's born in cold and rain
^D Knows ^G sunlight, ^{Em} sunlight, sunlight
And at last can grant a name
^D To a buried and a burning flame
^C As love and its decisive pain
^D Oh, my ^G sunlight, ^{Em} sunlight, sunlight

[Refrão]
All that was shown to me, ^D sunlight
There's somethin' foreknown to me, ^A sunlight, oh ^{Em} sunlight
Oh, your love is ^{B7} sunlight
Oh, your love is ^C sunlight
^G But it is ^{Em} sunlight
But it is sunlight

^{B7} Oh, your love is sunlight
^C Oh, your love is sunlight
^G But it is ^{Em} sunlight, sunlight
[Ponte]
^C Oh, all these colors fade for you (only)
^{Am} Hold me, carry me slowly, my ^B sunlight
^{Em} ^D ^G ^{Bm7}
Oh, all these colors fade for you (only)
^{Am} Hold me, carry me slowly, my ^B sunlight
^{Em} ^D ^G

(^{Em})
[Terceira Parte]
^A Each day, you'd rise with me
^D Know that I would gladly be
^C The Icarus to your certainty
^D Oh, my ^G sunlight, ^{Em} sunlight, sunlight
Strap the wings to me
^D Death trap clad happily
^C With wax melted, I'd meet the sea
^D Under ^G sunlight, ^{Em} sunlight, sunlight

[Refrão]
Oh, your love is ^{B7} sunlight
^C Oh, your love is sunlight
^G But it is ^{Em} sunlight
Oh, your love is ^{B7} sunlight
^C Oh, your love is sunlight
^G But it is ^{Em} sunlight
Oh, your love is ^{B7} sunlight
^C Oh, your love is sunlight
^G But it is ^{Em} sunlight
But it is sunlight
^{Em} Sunlight, sunlight, sunlight, sunlight, sunlight
