True that I saw her hair like the branch of a tree
Willow dancin' on air before covering me

Under garden and calicos
Over canopy dabbled long ago D

That the sound of the saw must be known by the tree

Must be felt 'fore the fight, the call
Friendly fire, but that was long ago D

With the war of the fire, my heart moves to its feet
Like the ashes of ash, I saw eyes in the heat

Watch it still live in roofs, be consumed by the flame

I was fixed on your hand of gold
Lay in waste of my lovin' long ago D
