Sunday morning, I woke up with no one beside me
B **Db** **Ebm**

Reaching out for you like you were still there
Ebm **B** **Gb**

Gave excuses like, "No labels, I'm not ready"
B **Db** **Ebm**

Now I'm drowning in a sea of regret, yeah

Ebm **B**
I'm not gonna say goodbye
Gb
'Cause I'm gonna change your mind
B **Db**
Let me love you, let me love you all day
Ebm
I got a milli, got a million ways

Ebm **B**
I'm not gonna give you up
Gb
I got you, I swear to God
