I don't need your issues, yeah

Quit tryna make me feel bad

When I can do that on my own

You were my addiction

That's why I'm gonna miss you, yeah

Why you tryna hurt me

When I can do that on my own?

Am
All the nights, all the fights

'Til we forgot what we fighting for

And I knew I was right

We can't do it like this no more

Am
I hate that it didn't work out this time

Like I thought it would

I was getting kinda used to calling you mine

Now you're gone for good

I told you that I'm not that strong

I wanted you to prove me wrong

And I hate to say that I told you so

But I told you so

(Am G C F)

But I told you so, but I told you so

Am G
I said it from the first kiss, yeah, yeah, yeah

I could heard the clock tick, yeah, yeah, yeah

Remember how I told you, yeah, yeah, yeah

We were better off alone
