

Hugh Laurie - Hallelujah, I love Her So

Tom: G

Let me tell you about a girl I know,
 she's my baby and I love her so.
 Every morning when the sun comes up,
 she brings me coffee in my favorite cup.
 Yes, I know, yes, I know,
 hallelujah I just love her so.

When I'm in trouble and I got no friends
 I know she stays with me right to the end
 People ask me just how I know
 I smile at then and say 'She told me so'
 Yes, I know, yes, I know,
 hallelujah I just love her so.

(Chorus)

When I call her on the telephone,
 and I tell her that I'm alone
 By the time I count from one to four,
 I hear her... at my door

In the evening when the sun goes down,
 and there ain't nobody else around.
 She kisses me and she holds me tight,
 she says, 'Daddy it will be alright.
 Yes, I know, yes, I know,
 hallelujah I just love her so.

(Instrumental)

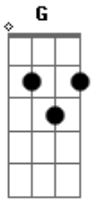

(Chorus)

When I call her on the telephone,
 and I tell her that I'm alone
 By the time I count from one to four,
 I hear her... at my door

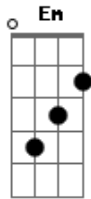

In the evening when the sun goes down,
 and there ain't nobody else around.
 She kisses me and she holds me tight,
 she says, 'Daddy it will be alright.
 Yes, I know, yes, I know,
 hallelujah I just love her so.
