

Hugh Laurie - Let Them Talk

```
Tom: C
                                                            They said that gossip comes from the devil's workshop
  Verso 1:
                                                           F G C And only true love can make it stop
           C E7
                       Am
Just let them talk, if they want to
F G C
 Talk don't bother me
                                                            I'm gonna keep on,
                                                              Am
                                                           I'm gonna keep on loving you
 I'm gonna keep on 'til the whole wild world knows that I
                                                            Until the day that I die.
really love you,
I really love you so ..
                                                          Verso 5:
                                                                              G
                                                          Oh They're envious of ev'rything that we do
 And let them whisper
                                                          But I wanna say it's wonderful
                                                                E7
  Am
For they know not G
                                                          When you love someone
 What's between you and I
                                                                 D7
                                                           And that someone,
   G
                                                                G
                                                          And that someone really loves you.
 I'm gonna keep on,
I'm gonna keep on loving you
                                                          Yeah that someone,
 C G
 Until the day that I die.
                                                           Yeah that someone really loves you.
Verso 3:
 They tried to break up our romance F G C
                                                          And that someone,
 They didn't stand a chance
                                                          And that someone really loves you.
 We have the kind of love
  Am Am7 Am7
                                                          And that someone,
That's so strong
                                                          And that someone really loves you.
 We'll be together from now on
Acordes
```
