

Hugh Laurie - Louisiana Blues

tom:

Intro: E

Well, I'm going to Louisiana
 Baby, behind the sun

Well, I'm going to Louisiana
 Baby, behind the sun

'Cause I just found out
 That my troubles just begun
 Well, I'm going to New Orleans

Get me a Mojo Hand
 Well, I'm going to New Orleans

Get me a Mojo Hand
 Teach all you, pretty women

How to treat your men
 (E A E B E)

Well, I'm going to Louisiana
 Baby, behind the sun

Well, I'm going to Louisiana
 Baby, behind the sun

'Cause I just found out
 That my troubles just begun
 'Cause I just found out
 That my troubles just begun
