

Hugh Laurie - Mystery

```
Intro: C F E
Am
Mystery
G
All my life has been a mystery
You and I were never ever meant to be
That's why I call my love for you a mystery
(Riff)
Different country
You and I have always lived in a different country
And I know that airline tickets don't grow on a tree
So what kept us apart is plain for me to see
That much at least is not really a mystery
(Riff)
Estuary
I live in a houseboat on an estuary
Which is handy for my work with the Port Authority
But I know you would have found it insanitary
       Am C
```

```
Insanitary? Insanitary?
(Riff)
Am
I'd be foolish to ignore the possibility
That if we'd ever actually met, you might have hated me
Still, thats not the only problem that I can see
(Riff)
Dead since 1993
Fourteen years come next January
As a human being you are history
So why do why I still long for you?
Why is my love so strong for you?
Why did I write this song for you?
Well, I guess it's just a mystery
Mystery
( C Am ) (2x)
