

# Engelbert Humperdinck - Angels

Tom: D

Tom: Mi Maior (E)

Intro: d.: E "Two times"

I sit and wait does an angel contemplate my fate  
 And do they know the places where we go when we're grey and old  
 'cos I've been told that salvation lets their wings unfold  
 So when I'm lying in my bed thoughts running through my head  
 And I feel that love is dead I'm loving angels instead  
 And through it all she offers me protection  
 A lot of love and affection whether I'm right or wrong  
 And down the water fall herever it may take me I know that life won't break me  
 When I come to call she won't for sake me I'm loving angels instead  
 When I'm feeling weak and my pain walks down a one way street

I look above and I know I'll always be blessed with love  
 And as the feeling grows she breathes flesh to my bones  
 And when love is dead I'm loving angels instead  
 And through it all she offers me protection a lot of love and affection  
 Whether I'm right or wrong and down the water fall  
 Wherever it may take me I know that life won't break me  
 When I come to call she won't for sake me I'm loving angels instead
