Tom: E

Intro: E Gbm B7 Gbm E

E
Ever and ever forever and ever
You'll be the one
That shines on me
Like the morning sun, ever and ever forever and ever
You'll be my spring
My rainbow's end
And the song I sing
Take me far beyond imagination
You're my dream come true my consolation

E
Ever and ever forever and ever
You'll be my dream
My symphony my own lover's theme, ever and ever forever and ever
My destiny we'll follow you eternally
Take me far beyond imagination
You're my dream come true my consolation
Ever and ever forever and ever
You'll be the one
That shines on me like the morning sun, ever and ever forever and ever
My destiny we'll follow you eternally
