

Engelbert Humperdinck - There's A Kind Of Hush

Tom: D

Intro: D D D G A

There's a kind of hush all over the world tonight
 All over the world you can hear the sounds of lovers in love
 You know what I mean
 Just the two of us and nobody else in sight
 There's nobody else and I'm feeling good just holding you tight
 Bridge
 So listen very carefully
 Closer now and you will see what I mean it isn't a dream

The only sound that you will hear
 Is when I whisper in your ear I love you
 For ever and ever
 There's a kind of hush all over the world tonight
 All over the world you can hear the sounds of lovers in love
 You know what I mean
 Just the two of us and nobody else in sight
 There's nobody else and I'm feeling good just holding you tight
 Of lovers in love of lovers in love

Acordes
