

# Engelbert Humperdinck - What Now My Love

Tom: G

I feel the world closing in on me  
 What now, my love  
 Here come the stars tumbling around me  
 Now that you've left me  
 How can I live through another day  
 Watching my dreams, turn into ashes  
 And my hopes into bits of clay  
 Once I could see, once I could feel  
 Now I'm numb, I've become unreal  
 I walk the night without a goal  
 Stripped of my heart, my soul  
 What now, my love  
 Now there is nothing  
 Only my last, my last goodbye
