

Engelbert Humperdinck - What Now My Love

Tom: G

I feel the world closing in on me
 Here come the stars tumbling around me
 There's the sky where the sea should be
 What now, my love
 Now that you're gone
 I'd be a fool to go on and on
 No one would care, no one would cry
 If I should live or die
 What now, my love
 Now there is nothing
 Only my last, my last goodbye
