

# Jogos Vorazes - Nothing You Can Take From Me (Boot-stompin' Version)

tom:

**Bbm** (forma dos acordes no tom de **Em** )

Capostrate na 6ª casa

(You can't take my past)

(You can't take my history)

(You could take my pa)

(But his name's a mystery)

**Am** **Em**  
Nothing you can take from me was ever worth keeping

**Am** **Em**  
Oh, nothing you can take was ever worth keeping

( **Em Am Bm** )

**Em**  
Can't take my charm

Can't take my humor

**Am**  
Can't take my wealth

**Bm**  
'Cause it's just a rumor

**Am** **Em**  
Nothing you can take was ever worth keeping

**Am** **Em**  
No, nothing you can take was ever worth keeping

**Dbm**  
Thinking you're so fine

**D**

Thinking you can have mine

**Am**  
Thinking you're in control

**Bm** **Am**  
Thinking you'll change me, maybe rearrange me

**Bm**  
Think again, if that's your goal

( **Em Am Em Am** )

**Em**  
Can't take my sass

**Am**  
Can't take my talking

**Bm**  
You can kiss my ass

**Em**  
Then keep on walking

**Am** **Em**  
Nothing you can take was ever worth keeping

**Am** **Em**  
Oh, nothing you can take was ever worth keeping

**Am** **Bm**  
Nothing you can take me from me is worth dirt

**Dbm**  
Take it, 'cause I'd give it free

**Em**  
It won't hurt

**Am** **Em**  
Nothing you can take was ever worth keeping

**Am** **Em**  
No, nothing you can take was ever worth keeping

[Final] **Em Am Bm Em**
