

Hunter G. K. Thompson - Song Of David

Tom: Ab

Lord I long that I would be found as David was
 One whose life long pursuit was chasing God
 With my heart seen as loyal and true through Jesus blood
 May I be found faithful to your love
 Lord I long that I would be found as david was
 That I would know what moves the heart God
 With my praise seen as honest beautiful and raw
 May I be found faithful to your love
 I long to be found faithful in your eyes

Make within my heart your pure and spotless bride
 And if I too like david fall into the night
 May your hand come and pull me back to the light
 For my deepest desire despite the sands of time
 Is to be found faithful in your eyes
 I long to be found faithful in your eyes
 Make within my heart your pure and spotless bride
 I will live this life to be found loyal in your sight
 Make within my heart your pure and spotless bride
 Faithful towards you that my heart would be found
