

Hunter Hayes - Cry With You

Tom: F

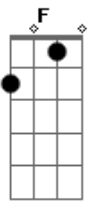

(com acordes na forma de Capostrate na 1ª casa E)

Intro: Dbm A2 E B x2

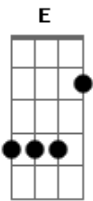

When you try not to look at me
 Scared that I'll see you hurting
 You're not hiding anything, no
 And frankly its got me worried
 Nobody knows you better than I do
 I keep my promises, I'm fighting for you
 You're not alone
 I'll listen 'till your tears give out
 You're safe and sound, I swear that I won't let you down
 What's hurting you I, I feel it too
 I mean it when I say
 When you cry, I cry with you, with you
 I'm not going any place
 I just hate to see you like this
 No, I can't make it go away
 Oh, but keeping it inside won't fix it

I can't give you every answer that you need
 But I wanna hear everything you wanna tell me
 You're not alone
 I'll listen 'till your tears give out
 You're safe and sound, I swear that I won't let you down
 What's hurting you I, I feel it too
 I mean it when I say
 When you cry, I cry with you, oh
 Yeah, I cry with you
 You need love tough enough to count on
 So here I am
 You're not alone
 I'll listen 'till your tears give out
 You're safe and sound, I swear that I won't let you down
 What's hurting you I, I feel it too
 I mean it when I say
 When you cry, I cry
 I mean it when I say
 When you cry, I cry with you, oh
 You're not alone, oh no, baby
