

Hurts - Somebody To Die For

Tom: Gb
Intro: Em7 Abm E B Gb

I could ^{Abm} drag you from the ocean
I could ^E pull you from the fire
And when you're ^B standing in the shadows
I could ^{Gb} open up the sky
And I could ^{Abm} give you my devotion
Until the end of time
And you will never be forgotten
With me by your side

And I don't ^{Abm} need this life
I just need ^E

I've got ^{Abm} nothing left to live for
Got no ^E reason yet to die
But when I'm ^B standing in the gallows
I'll be ^{Gb} staring at the sky
Because ^{Abm} no matter where they take me
In death I will survive
And I will never be forgotten
With you by my side

'Cause I don't ^{Abm} need this life
I just need ^E

Somebody to die for ^{Abm E B Gb}
Somebody to cry for ^{Abm E}
When I'm lonely ^{B Gb}

(Abm E B Gb)

When I'm ^{Abm} standing in the fire
I will ^E look him in the eye
And I will ^B let the devil know that
I was ^{Gb} brave enough to die
And there's ^{Abm} no hell that he can show me
That's ^E deeper than my pride
Cause I will never be forgotten
Forever I'll fight

And I don't ^{Abm} need this life
I just need ^E
