

## **Hush Kids - All My Love**

## **Acordes**

```
Gonna give you all my trust
G A D Gonna give you all my love
When I wandered from your arms
I was searching for something else \frac{1}{6}
Now I'm running back to you
'Cause where you are is where I find myself
I had to let you go
To find what I needed most
I'll give you everything
Gonna give you all my heart
Gonna give you all my trust
Gonna give you all my love
Gonna give you all my heart
Gonna give you all my trust
G A D Gonna give you all my love
Gonna give you all my days
```
