

# Hush Kids - Goodbye Rain

tom:

G  
It's just a turn on this winding road that  
Em G D  
I've been taking  
Em G  
I'll take my time, after all, it is mine  
D  
Don't feel forsaken  
Em G  
I'll fix my eyes to the white lines tonight  
D  
I won't be shaken  
A D  
So I'll say  
G Em  
Goodbye blue eyes, goodbye rain  
G Em  
Hello sunshine, goodbye pain  
D  
Goodbye rain  
Goodbye  
Em G  
You were a rose and just like the story goes  
You left me  
D  
bleeding  
Em G

I let you be my anchor  
We sank into the deep and we  
D  
stopped breathing  
Em G  
Found me washed upon the shore of  
The dream that is no more  
D  
I stopped believing  
A D  
So I'll say  
G Em  
Goodbye blue eyes, goodbye rain  
G Em  
Hello sunshine, goodbye pain  
D  
Goodbye rain  
Goodbye  
G Em  
Goodbye blue eyes, goodbye rain  
G Em  
Hello sunshine, goodbye pain  
G Em  
Goodbye blue eyes, goodbye rain  
D  
Goodbye rain  
Goodbye rain  
G  
Goodbye
