

# Hush Kids - Oasis

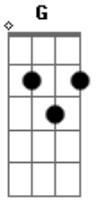

tom:  
 D  
 I lost my faith  
 G  
 Guess it dried up with the river  
 D G  
 I've walked for miles in the heat of the sun  
 A G  
 I need to lay my weary head down  
 A G  
 Need something to bring me back, bring me back again  
 D G  
 I'm looking for an oasis, an oasis full of life  
 Full of life  
 D G  
 Are there any traces, any traces of life  
 Of life?  
 D  
 Dream of the sea  
 G  
 But I cannot reach the water

D G  
 Wake with a thirst that never goes away  
 A G  
 I need to lay my weary head down  
 A G  
 Need something to bring me back, bring me back again  
 D G  
 I'm looking for an oasis, an oasis full of life  
 Full of life  
 D G  
 Are there any traces, any traces of life  
 Of life?  
 A G  
 Is it all just hallucination?  
 A G  
 Or will I find some peace just up ahead?  
 D G  
 I'm looking for an oasis, an oasis full of life  
 Full of life  
 D G  
 Are there any traces, any traces of life  
 Of life?
