

Hush Kids - Oasis

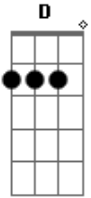

tom:
 G
 I lost my faith
 D
 Guess it dried up with the river
 D G
 I've walked for miles in the heat of the sun
 A G
 I need to lay my weary head down
 A G
 Need something to bring me back, bring me back again
 D G
 I'm looking for an oasis, an oasis full of life
 Full of life
 D G
 Are there any traces, any traces of life
 Of life?
 D
 Dream of the sea
 G

But i cannot reach the water
 D G
 Wake with a thirst that never goes away
 A G
 I need to lay my weary head down
 A G
 Need something to bring me back, bring me back again
 D G
 I'm looking for an oasis, an oasis full of life
 Full of life
 D G
 Are there any traces, any traces of life
 Of life?
 A G
 Is it all just hallucination?
 A G
 Or will i find some peace just up ahead?
 D G
 I'm looking for an oasis, an oasis full of life
 Full of life
 D G
 Are there any traces, any traces of life
 Of life?
