

I Don't Know How But They Found Me - Downside

tom:

Intro: C Em C
Em Em C Em

[Primeira Parte]

C Em C
I know that I can be impossible
Em C
I'd say I'm sorry, but I'm never gonna let go
Em Em
It feels like my heart broke
C Em
The second I said "no"
C Em C
But I regret it now, I didn't know
Em Em
I couldn't live another minute in your blue light
C Em
Like Mazzy in starlight
Oh my God, I left you at midnight

[Pré-Refrão]

C
Darling, I need
Em
Darling, I need
D
Darling, I need
C Em Em
Darling, I need you here tonight
C Em
You're all that I wanted
N.c
And it's so hard to look at the downside

[Refrão]

F G
I wanna listen to you whisper to me
Em F
I wanna watch bad American movies
F G Am C
Don't wanna give another kiss with my baby on my mind
F G
It wasn't kind, it was kind of boring
Em F
I put a pill in my cup every morning
F G Am C
And when I die, I'll get those cold copper kisses on my eyes
F G C
And now I'm fighting for a look at the downside

C Em C
Em Em C Em

[Segunda Parte]

C Em C
It took a moment to disintegrate
Em Em
So curious about the noise you make in bedrooms
C Em
I don't know what I'd do

Em
But we could find out soon
[Pré-Refrão]
C
Darling, I need
Em
Darling, I need
D
Darling, I need
C Em Em
Darling, I need you here tonight
C Em
You're all that I wanted
Em
And it's so hard to look at the downside
C
Darling, I need
Em
Darling, I need
D
Darling, I need
C Em Em
Darling, I need you here tonight
C Em
You're all that I wanted
N.c
And it's so hard to look at the downside

[Refrão]

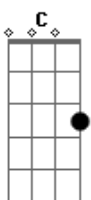

F G
I wanna listen to you whisper to me
Em F
I wanna watch bad American movies
F G Am C
Don't wanna give another kiss with my baby on my mind
F G
It wasn't kind, it was kind of boring
Em F
I put a pill in my cup every morning
F G Am C
And when I die, I'll get those cold copper kisses on my eyes
F G Am
And now I'm fighting for a look at the downside

[Final]

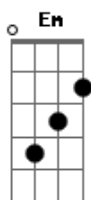

F G Em F
F G C Am
F G
Oh, the pennies on your eyes
C Am
Will pay the toll at your demise
F
And carry you far away
G
It's so hard to take
C
A look at the downside

Em C
Em C
Em C
