

# I Don't Know How But They Found Me - Kiss Goodnight

tom:

Intro: D G D G

[Primeira Parte]

Now I don't care  
About anything at all  
But I still stop and stare  
Every time that you call

[Segunda Parte]

See I know that girls like you  
They don't come with guarantees  
So if you've got to spend your time  
Oh, won't you spend it with me?

[Refrão]

It might just end my life  
But if you think that it's right

[Terceira Parte]

Should you invite me in  
To spend the night on the floor  
Oh, please believe I'll be a gentleman  
Or you can show me the door

[Quarta Parte]

While all my friends and I  
Leaf through the books on your shelf  
Now I don't want to spend my life  
With anyone else

[Refrão]

Why don't we kiss goodnight  
It might just end my life  
But I'm sure that it's right  
Why don't we kiss goodnight  
Why don't we kiss goodnight

[Pré-Refrão]

(Now, let's begin)

[Refrão]

Why don't we kiss goodnight  
It might just end my life  
I'm pretty sure that it's right  
Now we can kiss goodnight

[Refrão Final]

I don't want to spend my life  
Without your kiss goodnight  
Yeah, for the rest of my life  
I need your kiss goodnight
