

# I Don't Know How But They Found Me - Nobody Likes The Opening Band

Tom: Bb

Oh come and see the opening band  
 Now that you've got your tickets  
 And your beverages in hand  
 They look so tired, sound uninspired  
 Guitars are secondhand  
 'Cause no one likes an opening band  
 Nobody likes the opening band  
 'Cause their set time's far too early  
 And I've never heard of them  
 And chances are they won't go far  
 Career is sure to end

'Cause no one likes an opening band  
 Oh, unfamiliar things will make us nervous  
 Oh, singing here for you gives me a purpose, so  
 Take pity on the opening bands  
 'Cause no one came to see them  
 Except their mom and dad  
 But if you lend an ear  
 And give them just one little chance  
 You may just like the  
 You may just like the  
 You may just like the opening band

## Acordes
