**D**

**D**  
I think the time has come  
**Gbm Bm**  
To say goodbye to you  
**G**  
No, I won't take you back

**D**  
Oh cause I know  
**Gbm**  
About those other girls  
**Bm G D**  
Baby oooh Oooh does it hurt

**Gbm Bm**  
You can't have me now  
**G**  
You can't bring me down  
**D**  
Oooh And your words  
**Gbm Bm**  
They will tumble down  
**G**  
They won't bring me down  
( **D Gbm Bm G Dadd9** )

**D**  
And all the words you put into my head  
**Gbm**  
I thought you loved me But you lied to me instead  
**Bm G**  
My eyes are open and I'm moving on tonight

I still remember all the things you've said  
**Gbm**  
I thought you loved me But you lied to me instead  
**Bm G**  
My eyes are open and I'm moving on tonight

**D Gbm Bm G**  
I'm moving on

**D Gbm**  
Tonight I'm moving on I'm moving ahead  
**Bm G**  
Tonight I'm moving on I'm moving ahead

**D**  
Ooh and the words  
(They can't hurt me now)  
Cause I know they can't bring me down)  
( **D Gbm Bm G Dadd9** )

**D**  
And all the words you put into my head  
**Gbm**  
I thought you loved me But you lied to me instead  
**Bm G**  
My eyes are open and I'm moving on tonight  
**D**  
I still remember all the things you've said (moving on)  
**Gbm**  
I thought you loved me But you lied to me instead  
**Bm G**  
My eyes are open and I'm moving on tonight  
**D**  
I'm moving on
