Acordes

```
Realized I need no help
When I saw nobody by my side
Like i went through hell and back
If you know me, you know I don't CAP
You know I'm gonna SLAP
You saw me in the TRA-AP
Back in time you used to ask
If my walk through the rain
Would be worth every step
Yea, my medals still wet
Weah
I was in the background
Selling g's low keys
Now I'm in the foreground
Singin' all those melodies
Came from other side
Where the line ain't got no hope
They say it's the last to die
But they got mine on a scope
Trynna kill my fantasy
I'm so rich within my mind
        G
Speaking to the galaxy
Call me crazy one more time
[Final] G E C E G
