Iggy Pop - Beside You

Tom: F
Intro: 4x: F Bb

```
F        Bb      F             Bb
I been hungry way down in my heart
F        Bb      F             Bb
Waiting for a reason
F        Bb      F             Bb
I been hungry like a lot of guys
F        Bb F           Bb
I want to be beside you
F        Bb      F             Bb
Lonely people pass me in the street
F        Bb      F        Bb
Waiting for a reason

Bb       C   Dm
Beside you grey is turning to blue
Bb          C        Dm
You wake up love in me
Bb       C   Dm
Beside you everything is new
Bb           C        Dm
You wake up love in me

F        Bb      F             Bb
I've been hungry way down where it hurts
F        Bb      F         Bb
Waiting for a reason
F        Bb      F             Bb
I been hungry like a lot of guys
F        Bb F           Bb
I want to be beside you
F        Bb      F             Bb
Lonely people pass me in the street
```
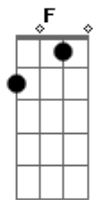

```
F        Bb      F          Bb
Waiting for a reason

Bb       C   Dm
Beside you grey is turning to blue
Bb          C        Dm
You wake up love in me
Bb       C   Dm
Beside you everything is new
Bb           C        Dm
You wake up love in me

F        Bb      Dm
What a world I really need you girl
F            Bb        C
You wake up love in me

Bb       C   Dm
Beside you grey is turning to blue
Bb          C        Dm
You wake up love in me
Bb       C   Dm
Beside you, beside you

Bb          C      F
I want to be beside you
Bb       C   Dm
Beside you, beside you
Bb          C      F
I want to be beside you
Bm          C   Dm
I want to be beside you
Bm       C  F
I want to be beside you
```
