

# Iggy Pop - High On You

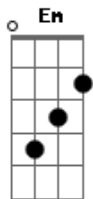

Tom: G  
 Intro: Em, Em, F#, G (x 8)  
 I like your wooden door, baby  
 I never want to leave, baby  
 If I could rule the night, baby  
 I'd turn it into white  
 There wouldn't ?  
 I'm getting high on you  
 I'm getting high on you  
 I'm getting high on you  
 High on you  
 I like your rugged cross, baby  
 I don't pray in churches, baby  
 I got nowhere to worship, baby  
 Because it isn't him  
 I don't need a ? man  
 I'm getting high on you  
 I'm getting high on you  
 I'm getting high on you  
 High on you

Terrorist in my heart  
 Tearin' it all apart  
 Terrorist in my heart  
 Tearin' it all apart  
 Bridge: Em, Em, F#, G (x 8)  
 I love the way you feel, baby  
 The mornin' startin' drunk, baby  
 Drinking of your soul, baby  
 And everything I know  
 Digs the way your body glows  
 I'm getting high on you  
 I'm getting high on you  
 I'm getting high on you  
 I'm getting high on you  
 I'm getting high on you  
 Corrupting in the air, I really need you  
 You got two play rides, I really love them  
 My we're getting high, are we getting high
