

Iggy Pop - Kill City

Tom: **A**

(com acordes na forma de)
(intro)

But if I have to die here, first I'm gonna make some noise

Give it up, turn the boy loose (4x)

Well I live here in Kill City where the debris meets the sea
I live here in Kill City where the debris meets the sea

Turn that boy loose.
Yeah the scene is fascination man and everything's for free
The scene is fascination man and everything's for free

It's a playground to the rich, but it's a loaded gun to me

Til you wind up in some bathroom, overdosed and on your knees

Well I'm sick of keeping quiet, and I am the wild voice
I'm sick of keeping quiet, and I am the wild voice

Acordes
