

# Iggy Pop - Living On The Edge Of The Night

Tom: C

A  
 You went off the river  
 D  
 Smoke stacks fade to blind  
 A  
 This town's my own, ridin' free and alone  
 D  
 And I'm looking back  
 D  
 Maybe I know some people  
 A D  
 Maybe I break some rules  
 A D  
 But this is the street, I've got to compete  
 F G  
 Baby, I ain't no fool  
 C A  
 So I take a little bad with the good  
 F G  
 It ain't just black and white  
 (It still ain't black and white)  
 C A  
 You've got to deal with the real  
 F G C A  
 Woo, living on the edge of the night  
 Am  
 Every wild desire  
 Dm  
 Beckons from the dark  
 Am

I've made my bed but I can't risk my head  
 Dm  
 While I still swim with sharks  
 Am Dm  
 Everyone needs something  
 Am Dm  
 Sometimes they don't know why  
 Am Dm  
 But so much good's been misunderstood  
 F G  
 In the blink of the eye  
 (Repeat )  
 Am Dm  
 You say that you don't like it  
 Am Dm  
 Or maybe it's just my life  
 Am Dm  
 So you live yours and I'll keep mine  
 F G C  
 Rolling like a wheel through the city on the edge of the night  
 C  
 And when the black rain's down  
 Am  
 In this cold grey town  
 F  
 I'll be waiting  
 G C Am  
 Waiting at the edge of the night  
 F G C Am  
 Woo, living on the edge of the night  
 F G Am Dm Am Dm Am  
 Woo, living on the edge of the night
