

Iggy Pop - Living On The Edge Of The Night

Tom: C

A
 You went off the river
 D
 Smoke stacks fade to blind
 A
 This town's my own, ridin' free and alone
 D
 And I'm looking back
 D
 Maybe I know some people
 A D
 Maybe I break some rules
 A D
 But this is the street, I've got to compete
 F G
 Baby, I ain't no fool
 C A
 So I take a little bad with the good
 F G
 It ain't just black and white
 (It still ain't black and white)
 C A
 You've got to deal with the real
 F G C A
 Woo, living on the edge of the night
 Am
 Every wild desire
 Dm
 Beckons from the dark
 Am

I've made my bed but I can't risk my head
 Dm
 While I still swim with sharks
 Am Dm
 Everyone needs something
 Am Dm
 Sometimes they don't know why
 Am Dm
 But so much good's been misunderstood
 F G
 In the blink of the eye
 (Repeat)
 Am Dm
 You say that you don't like it
 Am Dm
 Or maybe it's just my life
 Am Dm
 So you live yours and I'll keep mine
 F G C
 Rolling like a wheel through the city on the edge of the night
 C
 And when the black rain's down
 Am
 In this cold grey town
 F
 I'll be waiting
 G C Am
 Waiting at the edge of the night
 F G C Am
 Woo, living on the edge of the night
 F G Am Dm Am Dm Am
 Woo, living on the edge of the night
