 the communist world is fallin apart
 the capitalists are just breakin hearts

oh baby i gotta go
 louie louie
 oh baby i gotta go
 a fine little girl is waitin for me
 but i 'm as bent as dostoevsky
 i think about the meaning of my life again
 and i have to sing louie louie again
 louie louie
 oh baby i gotta go
 louie louie oh baby
 i gotta go
 let's give it to' em right now
 oh man, i dunno like...health insurance
 the homeless & world peace
 & aids & education ... i' m tryin to do right
 but. ..hey

 the wall is down but something is lost
 turn on the news it looks like a movie
 it makes me wanna sing louie louie
