 the communist world is fallin apart  
 the capitalists are just breakin hearts  
 money is the reason to be  
 it makes me just wanna sing louie louie  
 louie louie

oh baby i gotta go  
 louie louie  
 oh baby i gotta go  
 a fine little girl is waitin for me  
 but i 'm as bent as dostoevsky  
 i think about the meaning of my life again  
 and i have to sing louie louie again  
 louie louie  
 oh baby i gotta go  
 louie louie oh baby

 let's give it to' em right now  
 oh man, i dunno like...health insurance  
 the homeless & world peace  
 & aids & education ... i' m tryin to do right  
 but. ..hey  
 life after bush & gorbachev  
 the wall is down but something is lost  
 turn on the news it looks like a movie  
 it makes me wanna sing louie louie
