

Igo Marques - As Muralhas Cairão

Tom: C

As muralhas cairão pois vencemos o deserto
 A vitória está logo a minha frente
 Por minhas forças não a mais o que fazer
 A promessa se cumprirá
 Entrarei no combate em oração
 A espera da ação do senhor
 As trombetas então tocarão

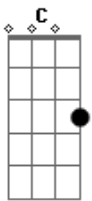

E as muralhas enfim cairão

Agindo Deus quem impedirá
 Agindo Deus quem me calará
 A tua mão me libertou
 Tua promessa se cumprirá
 Quando o difícil de tornar impossível Deus começa a agir
 Quando as muralhas se colocam contra ti
 As trombetas do senhor tocarão
