

Igor e Fernando - Fora do Padrão

Tom: **D**

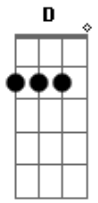

Um brinde **Bm** para os nossos defeitos
 Porque as nossas qualidades **D**
 Já nem mais importa **E**
 O nosso amor fora de moda **G**

Enquanto **Bm** todo mundo ama do mesmo jeito
 A gente vai se amando **G**

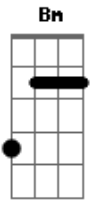

Mas do lado avesso

E assim a gente **D** vai se completando
 E é por **Gb** isso que eu te amo tanto
 E se o nosso amor **G**
 Tá fora do padrão **A**
 A gente tá no rumo **D** certo mas na contramão **Bm**
 E se não for o caso **G**
 A gente continua errado **A Bm**
