

Igor e Fernando - Fora do Padrão

Tom: **D**

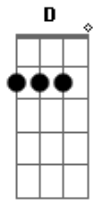

Bm
Um brinde para os nossos defeitos
D
Porque as nossas qualidades
E
Já nem mais importa
G
O nosso amor fora de moda

Bm
Enquanto todo mundo ama do mesmo jeito
G
A gente vai se amando

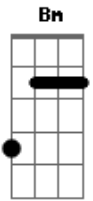

Mas do lado avesso

D
E assim a gente vai se completando
Gb
E é por isso que eu te amo tanto
G
E se o nosso amor
A
Tá fora do padrão
D **Bm**
A gente tá no rumo certo mas na contramão
G
E se não for o caso
A **Bm**
A gente continua errado
