

# Igor e Fernando - Fora do Padrão

Tom: **D**

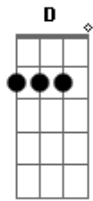

**Bm**  
Um brinde para os nossos defeitos  
**D**  
Porque as nossas qualidades  
**E**  
Já nem mais importa  
**G**  
O nosso amor fora de moda

**Bm**  
Enquanto todo mundo ama do mesmo jeito  
**G**  
A gente vai se amando

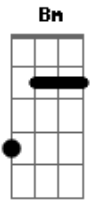

Mas do lado avesso

**D**  
E assim a gente vai se completando  
**Gb**  
E é por isso que eu te amo tanto  
**G**  
E se o nosso amor  
**A**  
Tá fora do padrão  
**D** **Bm**  
A gente tá no rumo certo mas na contramão  
**G**  
E se não for o caso  
**A** **Bm**  
A gente continua errado
