

# Igor Montenegro - Fall For Someone New

tom:

Intro: **B** **Gbm** **E**  
**B** **Gbm** **E**

**B** Heard you've been **Gbm** travelling around the world **E**  
**B** Taking your time to find a new home **E**  
**B** This heart of mine was never too strong **E**  
**B** But I still dare to think of you like you were my own **E**  
**B** Ever since I came back  
**Gbm** To the place that we met  
**E** The sky seems blue  
**B** But to see you again  
**Gbm** Now he's holding your hand  
**E** There's nothing I can do

**B** **A** **E**  
**B** But to fall for someone new  
**B** **A** **E**  
**B** Letting go is something I have to do  
**B** **A** **E**  
**B** Cause I can't stop thinking 'bout his arms around you  
**B** **A** **E**  
**B** Thou it's time I know it's time to face the truth

**B** **Gbm** **E**  
**B** The things that you said never left me  
**B** **Gbm**  
And I think it's my fault  
**E** (pause)  
Maybe that's why I drink

I've been drinking

**B** **Gbm** **E**  
**B** Oh but tonight I'll dream about staying  
(Promise that baby I'll stay)  
**B** **Gbm** **E**  
**B** Please don't wake me up I prefer to pretend  
(Pretend I still have you)

**B**  
On the day I came back  
**Gbm** **E**  
I wish we had met so I could say  
**B**  
That I miss you so much  
**Gbm**  
I miss your tender touch  
**E**  
But as soon as I'm awake

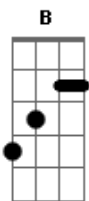

**B** **A** **E**  
I'll fall for someone new  
**B** **A** **E**  
So I can stop this pain and start to face the truth  
**B** **A** **E**  
Maybe I'll find somebody that looks just like you  
**B** **A** **E**  
But I'll be moving on with someone new

Yes I am babe

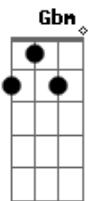

[Solo] **B** **A** **E**  
**B** **A** **E**

**B** **Gbm** **E**  
I hope I fall for someone new  
**B** **Gbm** **E**  
Cause finding love these days is hard to do  
**B** **Gbm** **E**  
And I wish one day I convince myself to come through  
**A** **E** **B**  
That to be with someone I'll have to forget you
