

# Igor Montenegro - Fall For Someone New

tom:

Intro: B Gbm E  
B Gbm E

B Gbm E  
Heard you've been travelling around the world

B Gbm E  
Taking your time to find a new home

B Gbm E  
This heart of mine was never too strong

B Gbm E  
But I still dare to think of you like you were my own

B  
Ever since I came back

B Gbm  
To the place that we met

B E  
The sky seems blue

B  
But to see you again

B Gbm  
Now he's holding your hand

E  
There's nothing I can do

B A E  
But to fall for someone new

B A E  
Letting go is something I have to do

B A E  
Cause I can't stop thinking 'bout his arms around you

B A E  
Thou it's time I know it's time to face the truth

B Gbm E  
The things that you said never left me

B Gbm  
And I think it's my fault

E (pause)  
Maybe that's why I drink

I've been drinking

B Gbm E  
Oh but tonight I'll dream about staying  
(Promise that baby I'll stay)

B Gbm E  
Please don't wake me up I prefer to pretend  
(Pretend I still have you)

B  
On the day I came back

B Gbm E  
I wish we had met so I could say

B  
That I miss you so much

B Gbm  
I miss your tender touch

E  
But as soon as I'm awake

B A E  
I'll fall for someone new

B A E  
So I can stop this pain and start to face the truth

B A E  
Maybe I'll find somebody that looks just like you

B A E  
But I'll be moving on with someone new

Yes I am babe

[Solo] B A E  
B A E

B Gbm E  
I hope I fall for someone new

B Gbm E  
Cause finding love these days is hard to do

B Gbm E  
And I wish one day I convince myself to come through

A E B  
That to be with someone I'll have to forget you
