

Igreja Bíblica da paz - Desde Os Confins da Terra

tom:

Intro: E E A E E B Dbm A

Desde os confins da terra

No mais profundo mar

Nas alturas do céus

Louvido És

Dentro dos corações

Surgirá um clamor

Nasce esta canção

E os povos cantam

Por toda eternidade

Tu serás adorado

Grande Deus!

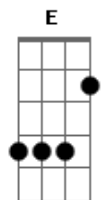

Exaltado nas nações

Senhor da criação

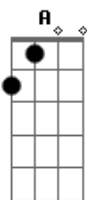

Grande Deus!

Seja louvado!
